## **\*Subway Metrocard information**

- Purchase a multi-ride card (*Pay-Per-Ride*, not *Unlimited Ride*) @ \$2.75 per ride. Carry some cash (\$10 or \$20 bills) in case the machine does not recognize your card from Europe.
- For the meeting alone, you will need 6 rides; you get an 11% discount with a 10-ride card. Keep your empty card to refill, otherwise there is a \$1 charge for a new card.
- You may need to practice swiping the card at the turnstiles: if you swipe too fast or too slow, the turnstile will not open. Swipe in one smooth, "confident" motion. The screen will say *Go*. Good luck!
